

# IBM Watson IOT Platform

Team ID: PNT2022TMID15750

IBM: [IBM-Project-17857-1659676763](#)

The image displays two screenshots of the IBM Cloud user interface. The top screenshot shows the 'Dashboard' page, which includes a sidebar with navigation icons, a search bar, and a 'Create resource' button. The main content area features a 'For you' section with several cards: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel), 'Get Started with Watson Studio' (Get started with using AI and Cloud Object Storage in 15 minutes), 'Build a Virtual Private Cloud (VPC)' (Upgrade to a paid account to create your own protected space in the IBM Cloud), 'Learn about IAM Roles' (Learn about roles in IBM Cloud and how they work to control access), and 'Build a...' (Lift and move workloads). Below this, there are sections for 'User access' (Manage users), 'News' (Introducing Badges to IBM Cloud Certification, Announcing IBM SevOne Network Performance Management Version 6.4), and 'Planned maintenance' (View all).

The bottom screenshot shows the 'Catalog' page, which includes a search bar with the query 'iot'. The search results show 'Cloudant' and 'Internet of Things Platform'. The page also features a 'Recommended products (6)' section with a list of categories: Compute (30), Containers (9), Networking (29), Storage (19), AI / Machine Learning (17), Analytics (10), and Blockchain (1). The main content area displays three product cards: 'Analytics Engine' (By IBM), 'AnonTech Vizivault Platform' (By Anon Technology, Inc.), and 'API Connect' (By IBM). Each card includes a brief description and a list of features: 'Lite', 'Free', 'HIPAA Enabled', 'IAM-enabled', and 'Third party supported'.
